### How much does it cost and where do I register?

The TD Summer Reading Club is **FREE!** Children register at the Summer Reading Club desk located in your local library branch. **Come register and join us for our opening day celebration Saturday, June 26** or register later in the summer. Visit our website to find your nearest location. When you register, you will receive a TD Summer Reading Club package which includes an activity booklet, poster, a weekly collectible poster sticker and a Yellow Logsheet to keep track of your minutes read or listened to.

### Why join the reading adventure?

The Summer Reading Program encourages children to find treasure in reading and stories. Research demonstrates, time and time again that children who read over the summer gain in reading achievement and return to school having maintained or improved their reading skills. Let us help your children find some great books they will enjoy and stories they will treasure.

### How do the Reading Logsheets work?

Each infant or child will receive a **Yellow Logsheet** when they register. Colour one leaf on a vine every **ten minutes** you read or listen to a story being read aloud or on an audio book. When you have coloured in six 10-minute leaves to complete a vine then return to the library to get your reading log sheet stamped. When you complete vine 3 and 6 you will receive a reading token. When you complete the Yellow Logsheet it will be entered into the grand prize draw for a Wii, Zoo game and a E-reader package and you will receive a completion certificate with your reading token. When you continue reading you can enter each completed Green Logsheet into a fabulous prize draw of your choice. **Draw prizes include digital cameras, portable DVD players, IPOD shuffles, Chapters gift cards, as well as Preschool and Infant Gift baskets.**
