Vocabulary Club: English Conversation Class

Join our fun English vocabulary and conversation class at the library! This program is perfect for people who are just starting to learn English. In this class, you'll discover everyday English words and how to use them. You'll practice using these words in conversations and other activities. We'll mainly focus on building your vocabulary, improving your speaking skills, and doing some simple reading. This class is very relaxed and is designed for people whose English skills are at levels 2, 3, or 4 according to the Canadian Language Benchmark (CLB2, CLB 3, CLB 4).

Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member.

Tech Time is divided into three 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule.
