Children

Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. **Ages 0-12 months.**
NOTE: Registration recommended.

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages birth to 3.**
NOTE: Registration recommended.

STEAM Lab

Full STEAM ahead! From robot battles to hovercrafts to building your own games, discover all things Science, Technology, Engineering, Art and Math. You're invited to try new things and create stuff at this class for junior makers. **Ages 9 to 12.**

LEGO at the Library

Calling all Lego lovers! Come to the library to design and build a Lego creation. Share your building tips and tricks with others. **Ages 6 to 12.**

Spring Break Starts Here:

Secret Spy School

Your mission – should you choose to accept it – is learning what it takes to become a super spy! Practice secret agent skills and become a master of disguise with EPL. **Ages 6 to 8.**

Lego Lands - Secret Hideouts

Get inspired by stories, create a character, build a getaway vehicle, and then create a secret hideout using LEGO!
Ages 6 to 8.

Investigation Station

Something has gone missing and we need your help to solve the mystery. Use your very best investigation skills and mind power to analyze the clues and solve the whodunnit!
Ages 9 to 12.

Animal Fun with Zoo 2 U

Learn about a variety of animals and reptiles and you might even have a chance to meet one or two up close! Zoo 2 U is excited to share their appreciation for all creatures.
Family.

Escape from Terror-Bot Island

Create Dr. Villain's treacherous secret island base and then help the Ozobots save the world by coding their escape!
Ages 9 to 12.

Family

Drop-in Games

Board games, card games, video games - whatever you like to play is fair game! Drop by our program room and join in the fun.

Adult

Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member.

Tech Time is divided into three 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule.

Some common topics are Microsoft Office programs, mobile device troubleshooting, setting up and navigating a new device, accessing e-books and other online library resources, creating a social media account, adjusting device settings, transferring files between devices, and managing files or photos.

We are unfortunately not qualified to fix a damaged device or replace components.

We also offer a series of beginner computer classes, called "Computer Skills," which are best for those without basic knowledge or who want to explore an entire topic rather than a specific question.

Book Clubs of EPL: Chop Suey Nation

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. Join us for *Chop Suey Nation* by Ann Hui.
NOTE: Registration required.

Make Tax Time Pay

e4c Make Tax Time Pay (MTTP) is a FREE tax filing program available to individuals and families the Edmonton area with low to moderate incomes.
