

Nazir Mulji brings a wealth of diverse professional public, private, voluntary sector experience to his role as a Board Trustee. He is a Chartered Professional Accountant with a Certified Management Accountant designation, completing his Bachelor of Commerce degree majoring in Accounting at the University of Calgary. Nazir is currently operating his own professional accounting firm. He has held several management roles in Government of Alberta within different ministries over the past 30 years including working at several ministries including Alberta Treasury, Alberta Municipal Affairs, Alberta Community Development, Alberta Health and Alberta Justice and Solicitor General. Nazir has served in various volunteer capacities including being a Vice Chair at Old Scona High School, Vice Chair/Treasurer/Board member at Aurora Chartered School, Member of the United Way committee within different ministries, moderator at Vitalize Conference for the volunteers, and a Volunteer Team Lead for the Security Committee with the Ismaili Volunteer Corp. Nazir is passionate about building capacity for the citizens and community, improving the quality of life using innovative approaches to access information from the libraries and beyond and ensuring that an inclusive and diverse environment for learning and development is present at all the libraries.
