## Adult

### Sewing Machine Certification

This class is designed for customers who want to book EPL's sewing machines and have no prior sewing machine experience.

EPL offers a separate on the spot/skill test certification process for customers who already have prior sewing machine experience. If you are familiar with the skills listed below, you are not required to take the full class. Please contact the Makerspace to book a sewing appointment to complete the alternative certification process. **NOTE: Registration is required**

### Valentine Cards with Cricut

This class is drop-in. No registration is required. If you're in love with Valentine's Day and card making, this class is for you. Make a beautiful Valentine for someone special! Choose from our pre-selected designs and learn how to cut your design and personalize your card using the Cricut. Cricut Insert Cards will be provided and there is a limit of one card per person. This class is designed for ages 12 and up.

### Make it at Milner - Hot off the Press: Family T-Shirts

Gather up the kids and come to the library to make custom t-shirts for everyone! Choose from a variety of our pre-selected designs to customize your t-shirts. Learn how to use EPL's Cricut machines and heat press to cut vinyl and create your one-of-a-kind t-shirts. This class is suitable for kids 8 and up and their parents/caregivers. Each month Hot Off the Press will introduce you to a new project - from t-shirts to tote bags to baseball caps - the possibilities are endless! **NOTE: Registration is via Eventbrite and there is a \$10 charge for this class for each person registered. You will need to register each person who is making a t-shirt. Unisex t-shirts and vinyl will be provided. Please email us your t-shirt size and colour preference when you register. milnerclasses@epl.ca**

### Make Music: Live Instrument Jam Session

Mallory Chipman, EPL's Musician in Residence, is hosting a drop-in open jam session for some fun with our collection of instruments. Come learn and connect with other music makers of all skill levels in a fun and collaborative jam session!

### Make Music: Electronic Jam Session

The EPL Makerspace is hosting a drop-in open jam session for some fun with our sampling and beat making equipment. Customers will have the chance to learn, play and connect with other music makers of all skill levels. Bring your audio creativity and join in the chaotic fun of crafting collaborative soundscapes!

This class is primarily designed for adults and teens and will be delivered in person in the Makerspace at Stanley A. Milner Library. Children under 12 are welcome to participate and will need the assistance of a caregiver.

### Cricut 101: Certification

This class enables customers to book appointments on Cricut machines at select EPL branches. Completing this class will certify all participants over the age of 12 to book Cricut machines and vinyl cutters at EPL. Customers under 12 must be accompanied by a caregiver who is certified during Cricut bookings. **NOTE: Registration is required**

### Studio Lab Open House

Have you ever wondered what's behind those big double doors in the Makerspace marked Studio Lab? This is your chance to find out. The doors will be open and you are invited to explore EPL's newest service, Studio Lab. Studio Lab is a photo and video studio - lights, camera, action! The doors will be open 6pm-8pm.

### Soldering Class and Certification

The first part of this class will be Soldering Certification and then you will practice your soldering skills on a high quality PCB and end up with something fun! After taking this class you will be able to book the soldering equipment in the Makerspace to work on your own projects. **NOTE: Registration is required**

### Adobe Illustrator: Introduction to the Basics

Do you want to learn how to use design software but don't know where to start? Are you eager to create your own vector artwork to eventually turn into a vinyl or laser cut creation? Join this class to get an introduction to Adobe Illustrator!

**NOTE: Registration is required**

### 3D Printing 101 Certification: In Person

This class enables customers to book appointments for the Prusa i3 MK3S and MK3S+ 3D printers at the Stanley A. Milner Library's Makerspace. Once you've attended this class, staff will complete your training on the 3D printer's operation during your first 3D printer booking. **NOTE: Registration is required**

### Makerspace Fab Lab Open House

Have you ever wondered what's behind those big double doors in the Makerspace? This is your chance to find out. The doors will be open and you are invited to explore the Fab Lab! The doors will be open 2pm-4pm.

### Craft & Chat - Crocheting

Join us in the Makerspace to create and have fun with other crafters. Bring your knitting or crocheting project to work on, or find inspiration at the library. Yarn and crochet hooks will be available for you to make Amigurumi - small crocheted animals.

Library staff will help you learn the basic stitches and help you with your project. Beginners and more seasoned crafters welcome!

### Studio Lab Class - PODCASTING

Are you a fan of podcasts and often wonder what would be involved in creating your own podcast? This is the class for you! Learn about camera and mic setups, best practices, and more. You'll also film and edit a few minutes of your podcast.

This all happens in EPL's brand new Studio Lab - a space for audio/visual creators of any skill level. The Studio Lab is an acoustic treated black box room and it is equipped with lighting, camera, sound, and computer/software tools.

**NOTE: Registration is required**
