July Calendar

Space-tacular Suncatchers

Come and capture the light from our nearest star by making suncatchers and rainbow filters!

Ages 6-8.

August Calendar

Exploring Aquarium Life with 19 Islands

Ever wondered about the fascinating fish that live at the library? Join us and aquarium experts 19 Islands as we learn about EPL's unique aquatic habitats and the creatures who live in them. You will see a variety of ocean life and learn about them and their role in the ocean and in your home aquarium.

Family.

The Idea Engine - Writing with Prompts

In this interactive workshop, Writer-in-Residence Premee Mohamed will teach participants about the components of narrative, then jump into creating an 'idea box' for new story ideas on-demand! Then you'll put your 'idea box' to the test with short writing exercises using random ideas from the box. Finally, we will generate a list of new ideas for stories to write all summer long!

NOTE: Registration required

Ages 9-12.

To the Moon and Back

Bright sky, bright stars, bright moon! Let's read, play and create your very own moon that shines just for you.

Preschooler.

Friendship Bracelets

Make some new friends while creating a fun craft! A crafting program focusing on friendship.

Ages 9-12.

Make Some Noise

Do you love music and rhythm? Come and explore some out of this world sounds with us and make some noise!

Preschooler.

Root Robots: Lost in Space!

Root Robots have escaped the space station and are lost in the galaxy! Code the constellations in the starry sky to help guide their way home.

Ages 9-12.

Astronaut Academy

Come to the library for astronaut training! You'll create straw-powered rockets, practice zero-gravity maneuvers, and learn how real astronauts communicate in space.

Ages 6-8.

Crash Land into School!

Join us at the library for some good old-fashioned fun and excitement as we celebrate the end of our summer activities here at EPL.

Family.
