## June Calendar

### Blast Off to Summer Reading!

Join us at the library for some good old-fashioned fun and excitement as we kick off our summer activities here at EPL.

**Family.**

## July Calendar

### Parachute Party

Parachute games? Yes please! Learn about rhythm and listening skills as we break out the parachute and balls and have a blast!

**Preschooler.**

### Exploring Aquarium Life with 19 Islands

Ever wondered about the fascinating fish that live at the library? Join us and aquarium experts 19 Islands as we learn about EPL's unique aquatic habitats and the creatures who live in them. You will see a variety of ocean life and learn about them and their role in the ocean and in your home aquarium.

**Family.**

### Undercover Robots

Design and create an undercover disguise to bring your robot spy to life! Test your creativity and coding skills to complete your chosen challenge!

**Ages 6-8.**

### WEM Spineless Wonders

Did you know that 97% of the animal species in the world have no backbone? Join West Edmonton Mall's Marine Life Educators in this unique, hands-on Spineless Wonders program! Participants will learn about marine invertebrates and get up close to a wide range of live cold-water animals (such as a sea star, anemone, sea urchin, sea cucumber or clams).

**Family.**

### Root Robots: Lost in Space!

Root Robots have escaped the space station and are lost in the galaxy! Code the constellations in the starry sky to help guide their way home.

**Ages 9-12.**

### Kompany Family Theatre

Join us for a highly interactive theatre adventure full of songs, stories and fun! Kompany Family Theatre hires professional theatre artists and welcomes volunteers and supporters in their quest to create and bring quality theatre to young audiences and families.

**Preschooler.**

### Be a Paleo Artist

Become a "Paleo Artist" and recreate what you imagine extinct animals would look like based on their skeletons!

**Ages 6-12.**

### Exploring your Zodiac Sign

Step into a cosmic adventure! Explore the stars, discover your zodiac sign, play games and create a stellar craft.

**Ages 9-12.**

### Space-tacular Suncatchers

Come and capture the light from our nearest star by making suncatchers and rainbow filters!

**Ages 6-8.**
