

I Can Visit the Library

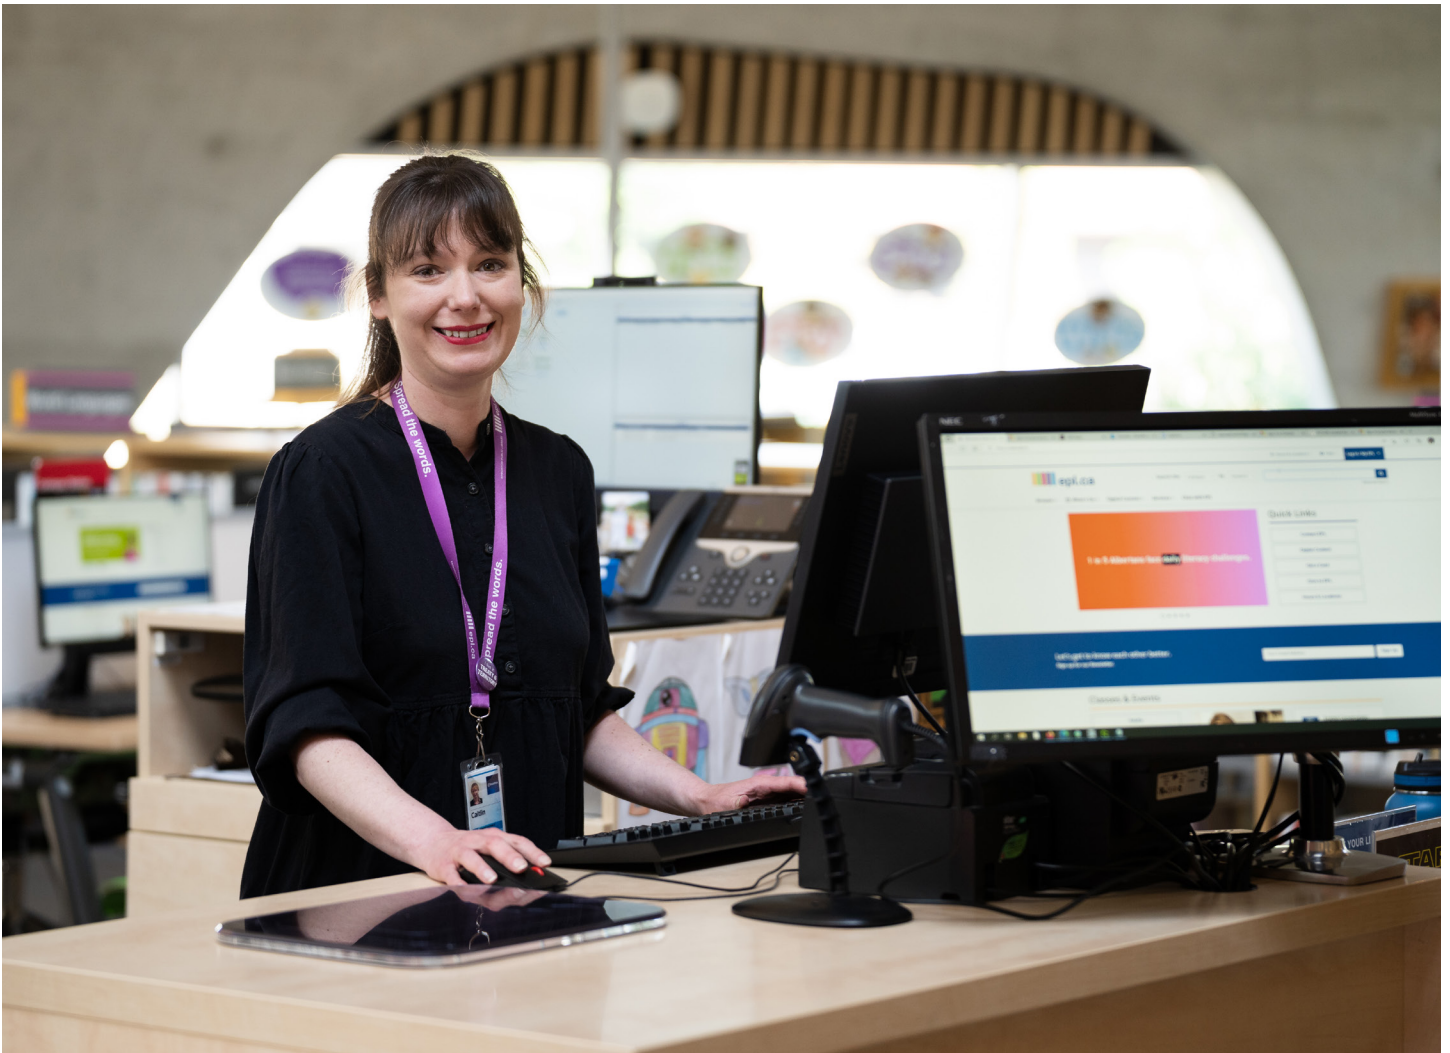

**I am welcome at the library
and it's free to visit!**

There are many different library buildings all around Edmonton, each one looks a little different.

**The library has a customer
service desk where
I can find a library worker.**

**Library workers are
there to help me and I
can ask them questions.**

**If the library is too loud for me,
I can ask a library worker to
help me find a quieter space.**

**Every library has a
washroom I can use.**

If the library building has more than one level, I can use stairs or the elevator to get to where I want to go.

**Every library has a Children's Area
where I can play. There may
be other kids there too.**

**There are computers
and iPads I can use.**

**If they are all busy,
I can wait for my turn.**

**In the Children's Area, I can
find books to look at.**

**I can also find DVDs,
CDs, and video games.**

If I find books, CDs, DVDs, or video games that I want to borrow and bring home, I can use my free library card to check them out.

**I can check out my items at
the self-checkout machine or
at the customer service desk.**

I can keep the things I've borrowed for a little while. When it's my time to return them, I can bring them back to any library so other people can borrow them too.

There are lots of fun library programs for kids. If the library has a program room, most of the programs will happen there.

My grownup can check the library calendar to see what's happening each day.

**When I'm done visiting the library,
I can leave with my grownup.
I can come back again another time!**
