Zine and rate your heart out!!

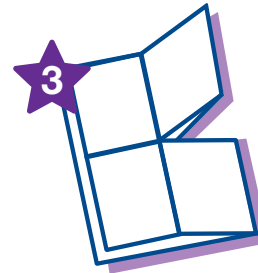

Ready to turn a single sheet of paper into your very own rating mini-magazine guide? These simple folding instructions will guide you through creating an 8-page book tracker—no staples or glue needed. Grab a template, follow the steps and begin keeping track of your favourite reads!

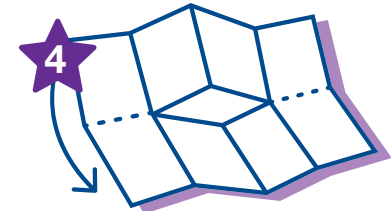

Fold paper in half

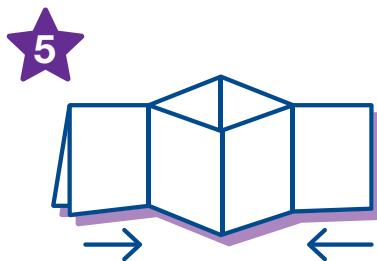

Crease in half both ways

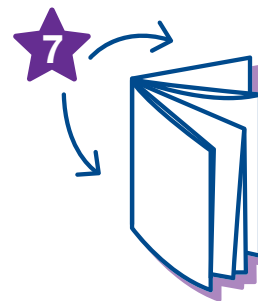

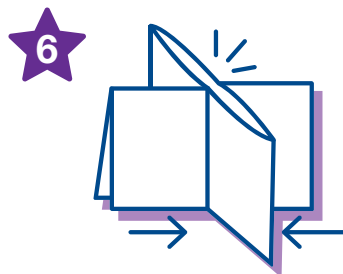

Cut along folded edge, stopping halfway

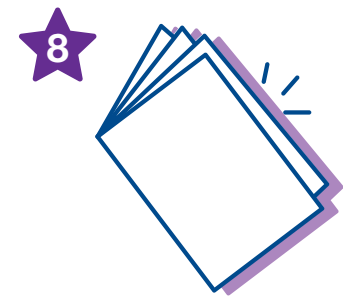

Open, then fold along long edge

Push both sides inward to create an 'x'

Close to form pages

Get zine-y with it and rate your reads!
