July Calendar

Dino Swamp

Stomp, splash and explore in the Dino Swamp! Join us for a roaring dinosaur-themed storytime and hands-on activities. This event is unregistered and has a limit of 30 participants.

Preschooler.

Move to the Beat with Riwo Egor

Join us for a high-energy workshop filled with singing, dancing, and drumming for all ages and abilities. This year's lead artist, Riwo Egor, brings vibrant rhythms, cultural storytelling, and an infectious passion for music that gets everyone moving. Drawing on Nigerian folk songs and traditions, Riwo creates an engaging, immersive experience rooted in community and connection. **Family.**

LEGO Motion Lab

Bring your LEGO to life—one frame at a time! Create your own LEGO sets and characters, then bring them to life through stop-motion movie magic. **Ages 9 - 12.**

Movie Poster Magic

Are you interested in graphic design? Want to learn more about dramatic elements included in great movie posters? Then join us this summer for "Movie Poster Magic" where YOU are the graphic designer, model, and green screen technology expert! **Ages 9 - 12.**

Hoop Dance Teaching with Alicia Cardinal

Alicia will be sharing the teachings of the Indigenous hoop dance. She will also teach those in attendance some of the moves that go along with it so bring your own water bottles and be prepared to join in the experience. **Family.**

August Calendar

Paper Flower Perfection

Join us for stories and hands-on crafting to create a one-of-a-kind paper flower bouquet. **Ages 6 - 8.**

Demmi Dupri's Jammin' Balloon Party

Step into a world of whimsy, laughter, and imagination with Demmi Dupri's interactive balloon show! Filled with playful surprises, lively music, and plenty of audience participation, this joyful program invites children and families to move, laugh, and join in the fun. **Family.**

STEAM Storytime: What is a Scientist?

Dress up like a scientist and head to the library for a science experiment and storytime! The event is unregistered and has a limit of 30 participants. **Preschooler.**

Spineless Wonders

Our unique, hands-on Spineless Wonders program is all about our marine invertebrates! Discover a wide range of live cold-water animals, such as a sea star, anemone, sea urchin, sea cucumber or clams. Learn about invertebrate biology, habitats, and conservation of these amazing animals. Experience the ocean without leaving the city as we bring animals from Marine Life, West Edmonton Mall, to visit! **Family.**

Métis + Moccasins with Musée Héritage Museum

Join the Musée Héritage Museum for story time, sharing circle, and an all-ages craft. Families will learn about Métis people through the story "Metis Like Me" by Tasha Hilderman and illustrator Risa Hugo. The story comes to life with objects from the museum that children can explore. Everyone can create a paper moccasin and design with colourful dot stickers. **Ages 6 - 8.**

Game On! Video Game Tournament

Step up to the controller and join the action in this friendly video game tournament! Compete, cheer each other on, and see who comes out on top. **Ages 6 - 12.**

One Last Splash

Join us at the library for some good old-fashioned fun and excitement as we celebrate the end of our summer activities here at EPL. **Family.**
