## June Calendar

### Dive In!

Join us at the library for some good old-fashioned fun and excitement as we dive into our summer activities here at EPL.

**Family.**

### Ozobot Busytown

Help build a town for Ozobots and keep them busy with tasks and challenges! **Ages 6 - 8.**

## July Calendar

### Sphero Ocean Clean Up Challenge

Learn about the GPGP (Great Pacific Garbage Patch) and design a Sphero powered prototype vehicle to help clean up the ocean. **Ages 9 - 12.**

### Pirate Party

Ahoy, mateys! Dive into ocean adventures with pirate crafts and games. Pirate costumes encouraged but not required.

**Ages 6 - 8.**

### LEGO Motion Lab

Bring your LEGO to life—one frame at a time! Create your own LEGO sets and characters, then bring them to life through stop-motion movie magic. This event is unregistered and has a limit of 20 participants. **Ages 9 - 12.**

### Move to the Beat with Riwo Egor

Join us for a high-energy workshop filled with singing, dancing, and drumming for all ages and abilities. This year's lead artist, Riwo Egor, brings vibrant rhythms, cultural storytelling, and an infectious passion for music that gets everyone moving. Drawing on Nigerian folk songs and traditions, Riwo creates an engaging, immersive experience rooted in community and connection. **Family.**

### Wiggly Jiggly Jellyfish

Discover the jellyfish—a jiggly ocean creature older than the dinosaurs! Learn fun facts while diving into crafts and games inspired by these underwater wonders. This event is unregistered and has a limit of 30 participants. **Ages 6 - 8.**

### Kompany Family Theatre: Dr. Kukoo's Kloudy Kerfuffle

Dr. Kukoo's weather machine is on the fritz and only the Kompany Fix-It Team can save the day! **Family.**

## July Calendar

### Shark Attack!

Calling all shark lovers! Dive into a fin-tastic adventure as we explore the amazing world of sharks through stories, games, and a shark crafts! **Ages 6 - 8.**

### Paper Flower Perfection

Join us for stories and hands-on crafting to create a one-of-a-kind paper flower bouquet. **Ages 6 - 8.**

## August Calendar

### Beyblade Building Challenge

Design, build, and battle your own spinning top! In this fun hands-on challenge presented by e<sup>2</sup> Young Engineers, kids will use LEGO® pieces to create a Beyblade and test it in the arena. Try different designs to see which one spins the longest and stays balanced. Build, test, and improve your design while enjoying engineering and friendly competition. This program has a maximum capacity of 30 participants. **Ages 6 - 12.**

### Spineless Wonders

Our unique, hands-on Spineless Wonders program is all about our marine invertebrates! Discover a wide range of live cold-water animals, such as a sea star, anemone, sea urchin, sea cucumber or clams. Learn about invertebrate biology, habitats, and conservation of these amazing animals. Experience the ocean without leaving the city as we bring animals from Marine Life, West Edmonton Mall, to visit! **Family.**

### Can Birds Do That?

High speed dives! Silent flight! Night vision! Can birds really do all of those things? Come and “dive” a little deeper into discovering the wonderful characteristics of birds of prey! **Ages 6 - 8.**

### Masters of Disguise

Learn about how camouflage and mimicry show up in animals and create your own creature that would survive even the harshest of environments! **Ages 9 - 12.**

### Root Robot Creations

Get ready to code, create, and draw with Root Robots! You’ll use simple coding to make the robot complete fun drawing challenges. No experience needed — just bring your imagination and watch your art come to life with a robot coding! **Ages 9 - 12.**

### Demmi Dupri’s Jammin’ Balloon Party

Step into a world of whimsy, laughter, and imagination with Demmi Dupri’s interactive balloon show! Filled with playful surprises, lively music, and plenty of audience participation, this joyful program invites children and families to move, laugh, and join in the fun. **Family.**

### One Last Splash

Join us at the library for some good old-fashioned fun and excitement as we celebrate the end of our summer activities here at EPL. **Family.**
