## All events are drop-in

### June Calendar

#### Dive In!

Join us at the library for some good old-fashioned fun and excitement as we dive into our summer activities here at EPL.

**Family.**

#### Under the Sea

Dive into ocean fun! Little explorers will enjoy stories about ocean creatures and make some ocean-inspired art!

**Preschooler.**

### July Calendar

#### Shark Attack!

Calling all shark lovers! Dive into a fin-tastic adventure as we explore the amazing world of sharks through stories, games, and a shark crafts! **Ages 6 - 8.**

#### Sphero Ocean Clean Up Challenge

Learn about the GPGP (Great Pacific Garbage Patch) and design a Sphero powered prototype vehicle to help clean up the ocean. **Ages 9 - 12.**

#### Pirate Party

Ahoy, mateys! Dive into ocean adventures with pirate crafts and games. Pirate costumes encouraged but not required.

**Ages 6 - 8.**

#### Waves of Sound

Forget about waves on the beach; come explore the waves of sound! Silly sounds, secret sounds, spooky sounds – we'll experiment with and explore them all! **Ages 6 - 8.**

#### Spineless Wonders

Our unique, hands-on Spineless Wonders program is all about our marine invertebrates! Discover a wide range of live cold-water animals, such as a sea star, anemone, sea urchin, sea cucumber or clams. Learn about invertebrate biology, habitats, and conservation of these amazing animals. Experience the ocean without leaving the city as we bring animals from Marine Life, West Edmonton Mall, to visit!

**Family.**

#### Ready or Knot!

Ready or knot! It's time to dive into the world of knot tying and give macramé a try! **Ages 9 - 12.**

#### Can Birds Do That?

High speed dives! Silent flight! Night vision! Can birds really do all of those things? Come and “dive” a little deeper into discovering the wonderful characteristics of birds of prey!

**Ages 6 - 8.**

## All events are drop-in

### July Calendar

#### Move to the Beat with Riwo Egor

Join us for a high-energy workshop filled with singing, dancing, and drumming for all ages and abilities. This year's lead artist, Riwo Egor, brings vibrant rhythms, cultural storytelling, and an infectious passion for music that gets everyone moving. Drawing on Nigerian folk songs and traditions, Riwo creates an engaging, immersive experience rooted in community and connection. **Family.**

#### Wiggly Jiggly Jellyfish

Discover the jellyfish—a jiggly ocean creature older than the dinosaurs! Learn fun facts while diving into crafts and games inspired by these underwater wonders. **Ages 6 - 8.**

### August Calendar

#### LEGO Motion Lab

Bring your LEGO to life—one frame at a time! Create your own LEGO sets and characters, then bring them to life through stop-motion movie magic. **Ages 9 - 12.**

#### Speak Dog & Stay Safe

This one-hour program teaches essential skills for safe dog interactions and bite prevention. Participants will learn how to recognize key signs of canine body language, understand common reasons for bites, and practice respectful approaches to dogs. The program also aims to build a better understanding of commonly misunderstood animal behaviours and challenge misconceptions that lead to injuries or fatalities. Through increased education and awareness of animal welfare, participants will mitigate unnecessary risks and be empowered to become more compassionate companions and better advocates for animals in their homes and communities. **Ages 6 - 12.**

#### LEGO Boats and Barnacles

Get inspired by stories and then grab some LEGO to build amazing boats, creatures, and other things you find in oceans, lakes and rivers! **Ages 6 - 8.**

#### Dino Swamp

Stomp, splash and explore in the Dino Swamp! Join us for a roaring dinosaur-themed storytime and hands-on activities. **Preschooler.**

#### Project Blue Planet

Did you know water is used to make everything from blue jeans to ChatGPT responses? Join us for fresh water-themed challenges and learn about water use! **Ages 9 - 12.**

#### Métis + Moccasins with Musée Héritage Museum

Join the Musée Héritage Museum for story time, sharing circle, and an all-ages craft. Families will learn about Métis people through the story "Metis Like Me" by Tasha Hilderman and illustrator Risa Hugo. The story comes to life with objects from the museum that children can explore. Everyone can create a paper moccasin and design with colourful dot stickers. **Ages 6 - 8.**

#### One Last Splash

Join us at the library for some good old-fashioned fun and excitement as we celebrate the end of our summer activities here at EPL. **Family.**
